Media Release: 09 November 2008

Carols on the Mountain ... it's on again!

Carols on the Mountain returns to the Ferny Creek Recreation Reserve on **Saturday, 13 December.**

Now in its fourth year, the event has grown in popularity on each occasion, come rain or shine.

This year the Dandenong Ranges Sing Australia Choir and the National Youth Chorale return to perform, along with choirs from the Ferny Creek, Sassafras and Mount Dandenong Primary Schools.

Music will provided by the Upwey High School Band.

President of the Sassafras-Ferny Creek Fire Brigade, Win King-Smith, said the local community has embraced the annual event, originally aimed at celebrating Christmas and community in the hills.

"Every year this event has grown in popularity among the locals" she said. "Even when its' a little cooler or wetter than we might have hoped, people still come out to join in, which is great."

Being Christmas, Santa will no doubt be making an appearance!

The reserve will open at 6.30pm. Entry is by gold coin donation. The event is alcohol free. There is a sausage sizzle, with soft drinks, glow sticks and balls, and carol booklets also available for purchase.

Parking will be available in the nearby Ferny Creek Horticultural Society grounds

(ends)
